From,

Syed Amir Hasan Esquire

To,

L. Amritlal Ramchandra Esquire

Secretary to Government

Dated 22nd May 1906.

Sir,

With reference to

correspondence ending with

your letter No 429/6 dated 28th

March 1906 calling for a report

in the matter of taking over

under Government management

the Siva Temple near Bagur

in Channarayapatna Taluk, I have the honour to state as follows

2. The old dilapidated temple of Gaddé Rameswara Dévaru situated in S. No. 133 of the Bagur village in Channarayapatna Taluk was restored to a satisfactory condition by the strenuous exertion of one Subba Rao Son of Neelacantiah. The temple having been long neglected and worship discontinued, Subba Rao with a view to revive the "Puja endowed his two Brahmadeya Inam lands, Survey Nos. 23/1 and 199 of the village for the benefit of the temple Some

of the charitably disposed villagers have also endowed certain lands in favour of the temple, full details of which will be found on page 8 of the vernacular record.

3. There is a Rudawah fund of Rs 25/- for this temple, contributed by one Bagur Ramadasappa (which is linked to Archick Ramakrishnavadhani) besides 30 cocoanut palm trees in different gardens of the village, each palm tree being the gift of a devotee. The produce of these trees, some of which are still young and non fruit bearing is gathered by the Archick.

Rama

Ramakrishnaravadhani

4 There are no Jewels worth mentioning for this temple and such of the few trivial ornaments that have been offered to the temple, together with the requisits for the performance of daily worship, have been estimated at ~~Rs~~ 47-00.

5. It is reported that there are no claimants for the temple worship, and the above named Archika Ramakrishnaravadhani, a native of Iswarahalli village in Chickmagalur Taluk was purposely brought down here by the prime mover Subba Rao for the performance

of Archiks duties, which he is said
to have been discharging without
complaint ever since his
nomination nearly two years
ago.

6. From the records it will
appear that it was the ~~one~~ desire
of Subba Rao to hand over
the management of the
temple to Government and
thus secure to it a fair
support. But he did not
live long to realise his
aspirations and is said
to have died some 2½ years
ago. He has no male issues,
and of the two daughters
Seethamma and Subbamma,

Seethamma

Seethamma the eldest has been married to a Police Constable Subba Rao (son of Muthariah, under whose protection lives also the widow of deceased Subba Rao

7. All the documentary and other papers relating to the temple together with its present management are now with Subba Rao, son-in-law of the deceased Subba Rao, and he is not only anxious to fulfil the desires of his father-in-law regarding this temple affair, but is also willing to deliver all papers

to Government when called upon to do so Subbamma the 2nd daughter of the deceased has no objection to give away her father's lands intended by him for the benefit of the temple.

8. Under these circumstances I recommend the temple being taken over under Government management. The attempt of the deceased SubbaRao seems to be a laudable one and worthy of encouragement. The records of the case ending with the General Assistant Commissioner's Yadi No 1542 dated

dated 4th April 1906 are herewith submitted for reference and kind return when no longer required

9. There seems to have been some confusion in the mutation of Khata of Survey Nos 24 and 23/1 of Bagur village in the Channarayapatna Taluk and a separate enquiry regarding the same is being held in the Revenue Department Survey No 23/1 as stated above, is one of the Survey numbers that the deceased Subbarao has endowed to this temple The records connected with

this case ending with the General Assistant Commissioner's yadr no 1537 dated 4th April 06 are also submitted for reference and kind return

To,

The Secretary to the Government of H.H. the Maharaja of Mysore Muzrai Department.

Sir,

In reply to your letter No.750 dated 9-8-1907, I -- have the honour to state as follows:-

The Siva temple at Bagur in the Channarayapatna -- Taluk is said to have been rebuilt by one SubbaRao since - deceased, who seems to have endowed certain lands also for its maintainance and was managing the temple affairs very satisfactorily. There seem to be no other persons entitled to the management thereof. It is said that the said Subba Rao, in his latter days, was desirous of handing over the management of the temple to Government and that his widow and two daughters who are his only representatives are also willing that Government should take up the management thereof. In these circumstances, I am of opinion that the --- Muzrai Department may take over the management of the --- temple and all its endowed properties desired by the heirs of Subba Rao.

I have the honour to be

Sir,

Your most obedient servant.
